Bottineau Community Works

Collaborative corridor planning for the METRO Blue Line LRT Extension

To prepare for the planned METRO Blue Line Extension (Bottineau) light rail transit project, Hennepin County is partnering with cities in the northwest metro to identify and pursue community and economic development opportunities.

Through the Bottineau Community Works program, Hennepin County and cities in the Bottineau corridor (Brooklyn Park, Crystal, Golden Valley, Minneapolis, and Robbinsdale) are making policy and infrastructure improvements that benefit our communities today, in advance of light rail, and into the future.
