R

Regional Business News™ (available online to Minnesota residents via ELM)
Regional Business News provides full text for more than 80 regional US and Canadian business publications (including titles from Crain Communications).

Research In Progress (RiP) - TRB
The TRB RiP database contains about 2,000 records of research projects sponsored by the departments of transportation in the fifty states.

Research Needs Statements (TRB)
An important function of the Transportation Research Board (TRB) is to stimulate research that addresses concerns, issues, or problems facing the transportation community. In support of this function, TRB Technical Activities standing committees identify, develop, and disseminate research need statements (RNS) for use by practitioners, researchers, and others. The RNS on this website have been developed by the technical committees.
