Transit Corridors & Studies

METRO Bronze Line

The METRO Bronze Line is a planned 10-mile bus rapid transit (BRT) route between Saint Paul and Maplewood. Formerly, Rush Line BRT, Ramsey County is a partner on this project.

METRO Gold Line

The Gold Line is Minnesota's first BRT line that operates primarily within exclusive bus-only lanes. Ramsey County is a partner of this transit project.

Great River Rail Commission

The Great River Rail Commission is a joint powers board that advocates for faster, safer and more frequent passenger rail service in the Amtrak *Empire Builder* route from Saint Paul to Chicago

Red Rock Corridor

The Red Rock Corridor Commission is developing an Implementation Plan to identify short- and long-term strategies for implementing BRT and to tie those strategies to funding needs.
