Service & Schedule

METRO Red Line service is operated by the Minnesota Valley Transit Authority (MVTA), the operator of all local and express route transit services in Apple Valley, Burnsville, Eagan, Rosemount and Scott County. Station facilities along the METRO Red Line are maintained by both MVTA and Metro Transit.

Service operates 20 minutes on weekdays between 6:30 a.m. and 6:30 p.m. and about every 30 minutes from 5 a.m. to 6:30 a.m. and 6:30 p.m. to midnight. Full schedule information is available from Metro Transit.

METRO System

The METRO Red Line is among the first of several lines in the Twin Cities region's METRO system, a planned network of light rail and bus rapid transit routes offering reliable high-frequency and high-speed travel with limited stops throughout the Twin Cities region. Additional news and information on the METRO system is available from Metro Transit.
