# METRO Orange Line – Interstate 35W

The METRO Orange Line is a 17-mile bus rapid transit (BRT) line operating on Interstate 35W. It serves Burnsville, Bloomington, Richfield and Minneapolis. This service began in December 2021 and provides high-frequency service to 12 stations, operating in dedicated transit facilities and E-Z Pass lanes.

Schedule information for METRO Orange Line service can be found on Metro Transit's website.

Extending  service through Burnsville and Lakeville was considered through a county-led study in 2019. It recommended an additional future station near the Burnsville Center Mall. When the line is extended will depend on transit demand and changes in land use, employment and activity in the area.

Dakota County participates on the I-35W Solutions Alliance, a policy group overseeing development activities for the METRO Orange Line.
