Riverview Corridor Project Library

A great deal of information about the modern streetcar and arterial bus concepts was presented to the Riverview Policy Advisory Committee at their meetings on Jan. 31 and Feb. 29, 2024. The committee voted to release the transit concepts for public review and comment. The full presentations are also available for review in the Policy Advisory Committee section of the archive.

Comparison of Options

Information	Materials
The modern streetcar and arterial bus concepts can be compared, but are very different in scope and impact.	Comparison of Options
The economic development analysis provides a projection of the increase in real estate value appreciation and new development generated by new transit investment.	Economic Development Analysis

Modern Streetcar Animations

Community engagement handout

We distribute a handout with a map at events which provides information about the project details, overall goals and its benefits to the community.

- Riverview handout - American English (PDF)
- Riverview handout - Hmoob (PDF)
- Riverview handout - Karen (PDF)
- Riverview handout - Oromoo (PDF)
- Riverview handout - Soomaali (PDF)
- Riverview handout - Español (PDF)
- Riverview handout route maps (PDF)

Open house materials

These documents presents the information shown at our Open House events on large posters and shows them as screen-friendly slides.

- Cultural considerations (PDF).
- Station area planning (PDF).
- Streetcar benefits (PDF).
- Streetcar FAQs (PDF

Project Documents (EPE Phase)

The Engineering and Pre-Environmental phase of the Riverview Corridor project began in October 2020. Project documents are available in PDF format.

- Economic Development Analysis for the Riverview Transit Corridor (March 2024)
- Architecture History / History Background Research Report (March 2021)
- Riverview Purpose and Need Technical Report (April 2022)
- Historic Context of the Riverview Modern Streetcar Corridor in Saint Paul, 1850-1980 (May 2020)

Pre-Project Development (2014-2017) final study documents

Final documents are available in PDF. Print copies may be requested by completing the feedback form.

- Pre-Project Development Study
- Riverview Fact Sheet 2020
- Detailed Definition of Alternatives
- Public Engagement Summary
- December 2017 Policy Advisory Committee Meeting Summary
