# Transit Corridors & Studies

## Riverview Corridor

The Riverview Corridor is a proposed modern streetcar along a 12-mile route that will connect the Union Depot in downtown Saint Paul and the Minneapolis–St. Paul International Airport and the Mall of America, as well as the neighborhoods in between.

## METRO Purple Line

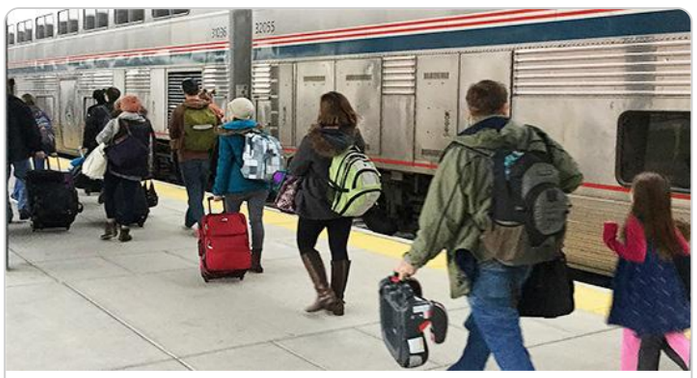

The METRO Purple Line is a planned 15-mile bus rapid transit (BRT) route between Saint Paul and White Bear Lake. Formerly, Rush Line BRT, Ramsey County is a partner on this project.

## METRO Gold Line

The Gold Line is Minnesota's first BRT line that operates primarily within exclusive bus-only lanes. Ramsey County is a partner of this transit project.

## Great River Rail Commission

The Great River Rail Commission is a joint powers board that advocates for faster, safer and more frequent passenger rail service in the Amtrak *Empire Builder* route from Saint Paul to Chicago.

## Borealis Service to Chicago

Ramsey County is a partner with MnDOT and others providing a second daily round-trip passenger train between Union Depot in Saint Paul and Chicago Union Station.

## Red Rock Corridor

The Red Rock Corridor Commission is developing an Implementation Plan to identify short- and long-term strategies for implementing BRT and to tie those strategies to funding needs.
